Dear Parent,

As part of this year's music curriculum, your child will be learning to play the recorder. In preparation to this unit, I will be placing an order on **Friday, November 17, 2023**. Third Grade will start the unit in the Spring Semester, and I will handle the instrument to the students when we are ready to learn the instrument in the Spring. Grades 4-5 use their recorders through the year. If your student needs a recorder, they can use this form as well.

The recorder presents a wonderful opportunity to introduce music reading and appreciation. I hope that by giving the students a positive, enjoyable learning experience they will be encouraged to develop an interest in music. Below you'll find a list of materials and pricing information. We will be placing the order the week of **Friday, November 17** to allow our students to bring their money to school. Students will need a Recorder, a neck strap and a digital code for the online curriculum and resources.
